Dear Sarah.

I recently called you to arrange a business trip to Dublin.
After a brief phone conversation you informed me that it was all arranged as we had discussed.

I must confess that as I had never previously used Travel Counselling, I was somewhat sceptic at the prospect of only having a few documents in my possession on my departure for Heathrow to Dublin.

However, I feel I must now set the record straight. The documents and information you provided were absolutely 1st class.

A particularly pleasant flight saw me into Dublin. After a rather somewhat M25 style journey to my pre booked hotel & business venue I checked into the hotel as expected. My checking in was faultless.

After my initial experience I was more positive for the next stage. This was to be the general trend for the entire trip as I moved hotels to be nearer the final venue it was also in style and was just so easy.

I only needed to mention my name and Travel Counsellors and hey presto booking confirmed.

I will recommend your fantastic services as often as I can to all my friends, family and customers, with the assurance that they will have a truly 1st class service using Sarah Godwin & Travel Counsellors.

I would like to thank you and your staff for your excellent service.

Yours sincerley

Steve Thompson
