## TESTIMONIAL FOR SIMON HANNAM OF POSITIVE SOLUTIONS

Simon recently helped us change our mortgage arrangements with a professionalism and enthusiasm that I thought I would never see from a financial service. Simon gave us all the information we needed to make our decisions with confidence. We were kept informed and in the picture all through the process. It is comforting to know that someone cares enough about their clients to check that things are ok on a weekend too.

Simon took the stress out of a normally stressful exercise and I will have no hesitation in recommending Simon to anyone I know that requires his services.

I look forward to using Simon's services again in the future.

Thanks
